

# Egg Custard

## Ingredients

2 eggs

3 tbs cornflour

3 cup milk

3 tbs sugar

1 tsp vanilla essence

## Method

1. Whisk eggs, cornflour and milk together in a bowl then add to the saucepan mix until smooth.
2. Continue whisking on stove top until custard becomes thick and creamy.
3. Remove from heat, then whisk in sugar and vanilla.

**Don't add the sugar while on the stove as it will stick to the bottom of the saucepan**
