

nachos

- **Ingredients for salsa**

3 ripe tomatoes

2 red capsicums

½ to 1 chilli

Olive oil

Sea salt and fresh ground pepper

1 Garlic clove

10 sprigs of coriander

Corn chips

Cheese to taste

Sour cream

Method

1. Preheat oven to 210oC.
2. Cut the tomatoes, capsicum and chillies in half.
3. Season with salt and pepper.
4. Coarsely chop the coriander.
5. Add the garlic clove, tomatoes, Capsicum, coriander and chilli and blend until smooth season with salt and pepper if needed. Set aside.
6. Grate the cheese.
7. Put one layer of nachos in a baking dish drop a few spoons of salsa and a layer of cheese then repeat.

8. Bake for approx 15 mins or until cheese has melted and golden brown.
9. Top with a big dob of sour cream
